

Southwest Ohio's 60 Minute Drive Market

The Southwest Ohio economic region has over 250 trained counselors motivated to help small businesses harness success in prevailing business climates and economic conditions within the Dayton, Cincinnati, Columbus, Chillicothe and Newark marketplaces. Skilled SCORE volunteers focus their experience helping fuel local economic conditions and job creation through small business development and support.

Advantage . . . SCORE Dayton Area Chapter

Today's volatile business climate is a lot like a tennis match, challenges come at you pretty fast. Whether you are winning, losing or just starting out in business, SCORE can help you match point and win.

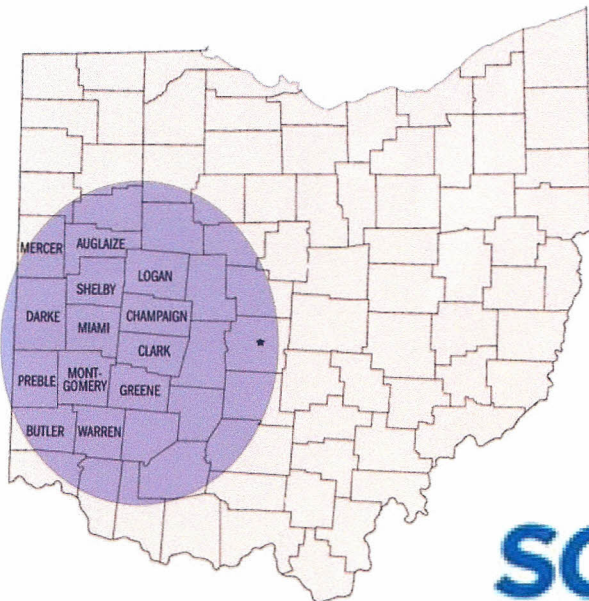

Regardless of business size, scope, type, or current situation, seasoned SCORE professionals leverage integrated solutions with years of life/work experience to give businesses an advantage in today's challenging business environment.

The Dayton Chapter's 50 volunteers represent a highly skilled and trained team of area executives including active and former managers, directors, vice presidents and presidents from some of the areas leading companies. Covering the Dayton and Springfield MSA, Dayton SCORE helps for-profit businesses and non-profit organizations in start-up mode, growth and/or business recovery.
