## THE CLIENT EXPERIENCE FROM CHALLENGE TO SOLUTIONS

Business today is a lot like a championship tennis match, challenges come at you pretty fast and from all directions. Finding and implementing viable solutions on your own can be daunting.

Whether you are winning, losing or just starting out, seasoned SCORE counselors can provide an **“Advantage”** through free business assessment seminars and training workshop series.

## TEAM ADVANTAGE WITH SCORE

Regardless of business size, scope, type, or current position, the Small Business Development series can help you realistically identify your current position and provide skills, tools and plans to fulfill a dream or meet current business goals and objectives.

## SHAPING OR BEING SHAPED

In today's experience driven economy, stability and maturity in business are no longer benchmarks for success. You are either helping to shape the marketplace and winning, or by default, you are being shaped and declining. Think about your current position and attend our free assessment seminar to identify which series can put your business on the right track.

### Business Startup (Launch)

These proven workshop series are designed to help entrepreneurs develop a vision and launch a successful business or non-profit organization.

### Business Recovery (Defense)

This unique group counseling and education series is designed for businesses seeking either a tactical solution to recovery and long-term growth.

### Business Growth (Offense)

Businesses who desire to take their business to “the next level” through growth/expansion.
