

Small business success is a blend of smarts, sweat, luck and risk. Luckily, you don't have to do everything alone. With SCORE, you'll get the expertise, support and tools to build and sustain your business. All from a network with 50+ years of experience.

SCORE's business experts offer free, Confidential Mentoring for as long as you need it. And our mentors aren't just anyone. They're successful business owners and executives with real-world experience in every sector. Some have worked at Fortune 500 companies. Others have built their own small businesses from the ground up.

"Our mentor helped us to refine our plan so that it would be approachable to potential investors."

We provide everything you need to hit your goals:

- In-person advice from experienced mentors
- Remote mentoring through face-to-face technology
- Access to 500 skill sets within our nationwide volunteer network
- Digital support tools and templates
- Strong relationships for the life of your business

"I didn't even know what information I lacked until my SCORE mentor, entered the scene."

Your business success is our success.

Get free business mentoring. Plus, attend local workshops and access expert resources online.

Free business mentoring, from people who know their stuff.

Attend a workshop – online or in-person.

Our workshops focus on critical small business issues, including planning, funding, marketing and online retailing.

These valuable workshops don't just provide food for thought. You'll leave each one with real-world advice, how-to guides and other takeaways you can implement right away.

Whether you're starting, growing or pivoting, these workshops let you learn from seasoned experts with real-world experience. It's also an invaluable networking opportunity. No doubt, you'll meet business leaders and aspiring entrepreneurs that are part of your local community.

Take advantage of our online resources.

Our free digital resources can help you answer questions you might have on the business side of things. These resources are written by business experts and include educational blogs, videos, e-guides and checklists to help you gain knowledge and find answers - fast.

You'll also find tons of free business templates. These are things like business plans, financial projections and marketing plans and HR management tools. Use these to stay buttoned-up on the business side of things, and enjoy more time focusing on your craft.

Don't hesitate. Get in touch today.

Our mentors, workshops and online resources are standing by, ready to help you succeed.
